

Benefitz

Portable Flags

As part of our Display & Exhibition range Benefitz supplies two standard sizes of portable printed flags that come with pole and ground spike or small base that can be filled with water.

Small Portable Display Flags

Smaller-sized flag (1950mm x 620mm) and 3 metre fibreglass pole sets with a water base or ground spike. Allow \$60 file download fee per design.

- 1 = \$620
- 2 = \$1030 (\$515 each)
- 3 = \$1350 (\$450 each)
- 5 = \$1950 (\$390 each)
- 10 or more = \$355 each

Large Portable Display Flags

Large-sized flag (3000mm x 790mm) and 5 metre fibreglass pole sets with a water base or ground spike. Allow \$60 file download fee per design.

- 1 = \$795
- 2 = \$1400 (\$700 each)
- 3 = \$1860 (\$620 each)
- 5 = \$2700 (\$540 each)
- 10 or more = \$475 each

Prices include printed flag, fibreglass pole and your selected mounting option (either ground spike, small water base – for inside use, fence/wall bracket). If you wish to use outside with water base then it is recommended you use a large water base which holds 15kg of water. These are an extra \$120 each. Carry bags are also available on request at \$45 each. Pricing excludes GST.

Artwork Requirements

PDF Images/Pictures – All files to be supplied in CMYK (anything else will change the colour). File resolution needs to be at least 150 dpi at full size.– if this means the file size exceeds 100mb then the output file can be supplied at percentage of final size, e.g. 10%. For complex images ie vignettes, and blends etc we prefer to receive image only files eg CMYK tif, PSD, or JPEG. Image only files to be supplied as TIFF or Photoshop PSD. No GIF files are acceptable for printing. EPS Complete Layouts, combining text and pictures – For best results, files to be supplied in EPS – Encapsulated Post Script Format, with all fonts converted to Line Art, Outlines or Curves. All colours require a PMS reference.
